HR EXCELLENCE IN RESEARCH
CARTA EUROPEA DEI RICERCATORI

BANDI E OPPORTUNITA'

HORIZON-ERC-SYG HORIZON ERC Synergy Grants

The ERC Synergy Grant call is now open. The aim is to provide support for a small group of two to four Principal Investigators to jointly address ambitious research problems that could not be addressed by the individual Principal Investigators and their teams working alone.

Synergy projects should enable substantial advances at the frontiers of knowledge.

Principal Investigators must demonstrate the ground-breaking nature, ambition and feasibility of their scientific proposal. Principal Investigators must also demonstrate that their group can successfully bring together the scientific elements necessary to address the scope and complexity of the proposed research question.

One of the Principal Investigators must be designated as the Corresponding Principal Investigator.

Funding: a max. of € 10 million for a period of 6 years (pro rata for projects of shorter duration); with a possibility of additional € 4 million, which can be requested in the proposal in total to cover a) eligible 'start-up' costs for PIs moving to the EU or an Associated Country from elsewhere as a consequence of receiving an ERC grant and/or b) the purchase of major equipment and/or c) access to large facilities d) other major experimental and field work costs, excluding personnel costs.
